Dan Foster Expands Leadership Role

Last month, we announced that Dan Foster expanded his role of President to include Chief Operating Officer. With this change, Dan's responsibilities now include day-to-day management and leadership of the company and full P&L responsibility.

Free SD-WAN Webinar: How to Compete and Win

SD-WAN service providers are not created equal and not all SD-WAN is alike. Providers differ in what features they support, bundling requirements, site minimums, uptime guarantees (and credits), support, and more.

Understand how to compete and win with SD-WAN. Join Michael Farthing, Sr. Sales Engineer, and special guest, Rod Brownridge, VP of Operations, as they explore the competitive landscape and share why our partners are having great success with MegaPath SD-WAN and MegaPath RED.

This 30-minute partner-focused webinar will explore:

- The SD-WAN competitive landscape
- Benefits of a multi-vendor approach
- Keys to a successful customer experience
- How to package a solution that your competitors can't compete with
- How to demo SD-WAN
