

Transform Your Network with FREE SD-WAN Just Bundle Hosted Voice & Business Internet

The reliability and quality of your Business VoIP service is only as good as the infrastructure it rides over. The combination of MegaPath's software-defined wide area networking (SD-WAN) with our nationwide Business Internet and feature-rich Hosted Voice services, provides real value to business customers that desire a broad range of high-value services from a single nationwide provider.

Get Free SD-WAN Pro when bundled with 10+ seats of Hosted Voice & Business Internet

SD-WAN Pro Benefits

- ✓ Ease of multi-location networking combined with always-on WAN connectivity
- ✓ IPsec VPN securely connects business sites and remote workers on one network
- ✓ Application Performance Monitoring continually monitors performance of critical voice, video, and other applications with the ability to alert IT staff
- ✓ Load Balancing and Failover automatically balances network traffic between multiple WAN links*

Get Free SD-WAN Enterprise when bundled with 30+ seats of Hosted Voice & Business Internet

SD-WAN Enterprise Benefits

- ✓ SD-WAN Pro Benefits PLUS
- ✓ Bi-directional Priority Routing decisions are made at the customer location and within the MegaPath core network for optimal performance
- ✓ Real-time Application Failover reroutes high-priority application traffic, such as voice, over a redundant WAN connection* in real-time to avoid dropped calls and quality issues
- ✓ Bandwidth Aggregation supports the combination of two or more Internet circuits* to provide a single, more efficient WAN connection

Added bonus! When you combine SD-WAN Enterprise with a MegaPath Ethernet or T1 circuit, you also qualify for the benefits of MegaPath RED, which include a 100% uptime guarantee, free proactive monitoring, priority technical support, and more.

*Terms and Conditions:

Free SD-WAN Enterprise requires a minimum of 30 Hosted Voice or MegaPath One seats, National Plan or higher, and a MegaPath Business Internet circuit at each location. The Free SD-WAN Pro promotion requires a minimum of 10 Hosted Voice or MegaPath One seats, National Plan or higher, AND a MegaPath Business Internet circuit at each location. Customers that qualify for the Free SD-WAN Pro promotion will receive the SD-WAN Pro MX64 package. Customers that qualify for the Free SD-WAN Enterprise promotion will receive the SD-WAN Enterprise 30M package. Some SD-WAN features, including Load Balancing and Failover, Real-time Application Failover and Bandwidth Aggregation require two or more Internet Circuits. For this promotion, at least one of these circuits must be provided by MegaPath. A three-year contract term is required. Seats added after initial order at list price. Unlimited National Calling is for Lower 48 states only. Pricing does not include taxes, fees and assessments. Qualification for promotions and service is subject to a satisfactory credit check. Installation and equipment fees for voice and data service may apply. Pricing, promotions, and features subject to location, availability and contract terms. MegaPath reserves the right to modify or cancel this program at any time. Additional restrictions and other conditions apply. Early Termination Fees and additional Hardware Fees apply if plan is terminated prior to the completion of the minimum contract term. Promotion expires on March 31, 2018. All services are subject to [MegaPath's Corporate Policies](#).
