

Free Proactive Monitoring

With the Purchase of a MegaPath Ethernet or T1 Circuit

Special Offer

Constant Monitoring. Faster Issue Resolution.
Proactive Monitoring is bundled free with MegaPath Ethernet or T1.

Even the most resilient business Internet connections are vulnerable to a backhoe or equipment failure. MegaPath Proactive Monitoring service constantly checks the status of your MegaPath Internet connection—24/7/365. If we detect an issue, we will automatically create a trouble ticket, contact you via email, and quickly work to resolve the issue and minimize your network downtime.
